Dear Potential Donor,

We are contacting you to introduce ourselves and announce that the Lady Legendz Softball Foundation (LLSF) is hosting its 3<sup>rd</sup> Annual charity golf tournament, “Swinging Fore Success” on June 25, 2022.

As former high school and collegiate athletes, LLSF understands the importance sports played in our lives; not just as athletes but as professional women, mothers, students, mentors, advocates, and philanthropists. The lessons learned while playing the game and the value system developed through participating in team sports is a foundation that lasts a lifetime. We also know that many talented girls never get a chance to play travel ball as a direct result of the high costs associated. Unfortunately, these girls fall through the cracks, never getting the opportunity to play ball on a larger stage that could provide exposure to college coaches. The purpose of this sponsorship effort is to help eliminate the cost barrier to playing competitive softball and create an opportunity for girls to play the sport they love at a level that could be a springboard to college.

**For these reasons, we are hosting a golf tournament fundraiser and are asking local businesses to support our cause and contribute to this much needed effort. We ask all of you to “Step Up your Game – Invest, Empower, Uplift” and help us help Sacramento area girls achieve their educational and athletic goals. 100% of funds raised will go directly to local softball players through a competitive application process.**

We are asking for hole sponsorships or raffle prize donations and/or items for prize packages for the tournament winners. Your donation would greatly assist LLSF to ensure the maximum amount of funds raised go directly to our sponsorship program.

We thank you in advance for your support and hope that you will donate to this worthy cause. Since the inception of our sponsorship program in 2016, LLSF has awarded 67 sponsorships totaling over \$58,000!

None of this would be possible without the support of our community and those believing in the mission to support our young athletes. You can also visit our website to learn more about the LLSF and to see the past recipients of this amazing sponsorship program.
